### Part Three: Creation

(from <http://pages.suddenlink.net/eslbiblestories/>)

**During the lesson, your teacher may ask you to read the following passage aloud:**

#### A True Story: God Made All Things

The first story in the Bible tells us how our world was made. God made the heavens and the earth. He made day and night. He made water and land. He made fish that live in the water. He made birds that fly in the air. He made plants and animals that live on the land. Last, he made a man and a woman. Their names were Adam and Eve. God looked at all the things he

made, and he was happy. He said it was very good. God wanted to be a special friend of Adam and Eve. He wanted to teach them how to have a good, happy life. To learn these things, Adam and Eve needed to love and obey God. Then God could teach them many good things.

Questions:

- Who made the world?
- Can you tell me some of the things that God made?

The Bible tells us more about how God made Adam and Eve.

**Your teacher may ask you to read this aloud:**

### The First Man and Woman

God made Adam and Eve husband and wife. They became the first family on the earth. This is what God wanted to do. He wanted people to live as families. God wanted to talk with this family often. God came to their home every day. Their home was in a place called the Garden of Eden. It was a beautiful place with flowers, trees, water, animals and much food. Everything this family needed was in the garden. God wanted them to be very happy. There was only one thing God told them not to do. He told them not to eat from the Tree of the Knowledge of Good and Evil. God told them that if they ate from that tree, they would die.

Questions:

- Who were the first husband and wife?
- Who made them husband and wife?
- Where did Adam and Eve live?
- What was their home like?
- What was in the garden?
- What was the one thing that God told Adam and Eve not to do?

Everything God made was very good. In the next lesson, we will talk about what happened next with Adam and Eve.

**Homework (to be completed after this lesson):** Write five sentences about your routines or habits and five sentences about the true story of Creation.
