June 2016

Greetings dear friend.

We pray that the hand of the Lord will be guiding, leading and using you for bringing glory to his Holy Name.

As a family we thank the Lord for you as we remember you in our prayers.

God has been very good on us and his mercy is covering us. The last month has been difficult for our family due to Bona's health which has not been well. Her kidney's function is being reduced and is causing other effects in the body in the same time. We have been doing a lot of examinations this past month and she is taking medications at the moment. God's grace has been strong in our lives and we thank the Lord that he is allowing us to go in this difficult moment accompanied by his grace which is sufficient for us in all the aspects. Our hearts are in peace and we know that it is because of his grace and mercy. During this period of time Bona has been seeing 2 doctors for consultations and none of them are believers and both of them have been seeing Bona's case for many years now. One of them is often speaking, especially now, about how dark the future looks for Bona's health and the other is amazed about how is possible that even though her kidneys had a lot of problems for many years she is in the condition that she is. To both of them we have explained that it is the Lord who kept her kidneys till now and it is the Lord that has the future in his hands. We thank you for your prayers for Bona's health. Please continue to ask the Lord to keep her kidneys. We know that He knows what he is doing and is all for bringing His holy name glory and honour.

Summer project is knocking.

We also wanted to share with you another prayer request. The summer project for all 3 churches is starting soon. By the grace of God we are able to impact many lives with his gospel both for reaching new people and for discipling believers. The gospel is the good news not only for the nonbelievers but also for the believers whom need to live it out.

Please pray for the Children impact in all 3 churches. There will be around 180 children participating this summer in all 3 churches. We are in the process of spreading invitations for the summer Children art school.

Please pray for the teenagers camp, that God will bring many people to come and hear the gospel.

Please pray for the Discipleship camp that each one of the three churches will organize. Believers that attend our churches will be participating in this camps to go more deep in God's word and in his teachings.

Please pray for the volunteers that will come and help our ministry from USA, Netherlands, UK that they will be a blessing to the people of Albania but also they will be blessed by God as they come and serve.

We also wanted to share with you a specific request. Please pray that the Lord will provide financially for our summer project for all three churches. We will need around \$ 5000 for all the projects of all churches. We wanted to encourage you dear friend to consider if you can help with any extra donation regarding summer project. If you send a check please write at the memo line: PREFER for summer project. The word prefer is very important for ECFA and IRS that can be qualified as tax deductible. With much love and appreciation Edi Bona Noel and Sion
