Dear New Business Owner:

The Application you filed with the state Business Licensing Service indicated no employees were hired. Therefore, we did not open a workers' compensation account for your business.

Please contact the Department of Labor and Industries (L&I) at (360) 902-4817 if:

- * You hire an employee--or employees (workers). In most cases, it is required by law to open a Workers' Compensation account with L&I and pay premiums each quarter if you decide to hire employees. This insurance provides medical and other benefits when workers are hurt on-the-job.
- * You have questions about who is covered or not covered. The Employer Guide to Industrial Insurance is an online guide that explains reporting requirements, out-of-state and independent contractor coverage and exclusions, www.lni.wa.gov/ipub/101-002-000.pdf or visit our website: www.lni.wa.gov
- * You are a LLC and are unsure if you are required to cover your member(s) and/or manager(s). Review LLC coverage requirements on page 12 at: www.lni.wa.gov/ipub/212-222-000.pdf.
- * You wish to purchase workers' compensation insurance for yourself, a partner or a co-owner of the business. This coverage is optional for Washington State business owners.

If you have any questions or feel you need a Workers' Compensation Account, please contact us.

Sincerely,
JOHANNA ATUALEVAO
Account Manager
